Newsletter - May 2006

SCA Events - Past and Future

Many thanks to all who attended and contributed to the Association's recent events.

The Race Night was a great success with about £180 being raised.

The Jumble Sale raised about £115. Thanks to the Fresh Start project who took a number of items that were left over at the end. It's good to know these will be put to good use.

The money raised will be used for the upkeep of the hall and grounds and will help to subsidise other events being run for members of our community

Summer BBQ Saturday 24 June 2006

Following hot on the heels of the Community Fayre will be the Summer BBQ.

Picture a gloriously hot summer's afternoon with scrumptious food and drink and good company. What better way to meet up with other members of your local community.

It is hoped to tie in a home composting workshop with the Summer BBQ, with composting bins on display and demonstrations on how to use them - see overleaf.
