### Music Evening hits the right note

The recent Music Evening was a great success. A huge thank you goes to Anne Scott for taking on much of the organisation of this and for accompanying the singers.

The evening saw a good varied programme with something for everybody. Thanks also to John Thompson, Gillian and Richard Gray, Cathy Scott, Seonaid Stevenson and Caroline Donald for their beautiful singing and to Joyce Wylie, Alexander and Eleanor Forsythe and Sophie Capaldi for their lovely playing.

The Jumble Sale was a little disappointing this year. It had been combined with a craft sale and car boot sale but the turn out was pretty poor mainly due to the weather. It was a pity as some of the craft stalls had some really interesting and unusual things. If you missed it, there will be another chance to see some of the craft stalls at the Community Fayre.

The money raised from these events is used for the upkeep of the hall and grounds. However, it's not all about raising money. A large part of what we do is about putting on events that members of the community can take part in and enjoy.
