Our Colleagues

The Author is very grateful for the research assistance from Members of THS; in particular Derek Benson, Wendy Snarey, the late David Willavoys, Cliff Burd, Gordon Baker and (not least) our Proof-Reader.

Our Sponsors

The Society was indeed fortunate in being awarded a grant by the Heritage Lottery Fund to assist both working with school pupils in researching the history of World War I and also in meeting the production costs of this publication. We were also deeply grateful for the participation of Mrs. Jill Jakeman, History Teacher at Bredon School, Bushley, and her Y9 pupils during 2014-2015.

Illustrations

The cooperation of named suppliers of illustrations is gratefully acknowledged and especially the Director of the Imperial War Museum for permission to reproduce Hammerton’s photographs.
